HOLMES 5000

RAISED WOOD PANEL DOORS

Since first impressions do certainly endure, why not guarantee that your home reflects the unequalled quality, craftsmanship, and design that it so richly deserves.

Let Holmes' designer top sections, fashioned by hand in the finest wood available, personalize your home's design and enhance its beauty and elegance.

"The Choice of Quality Builders", Holmes Door will combine the same quality and construction of its standard Series 5000 wood raised panel door with the designer top of your choice to achieve the best desired look for your home.

Pictured here are some of our specially designed tops that can be manufactured to customize your Holmes Door. Select from any of these patterns, or create one of your own—to match your entry door or window style—for the perfect result.

Your garage door is such a prominent part of your house—why shouldn't you ensure that its best possible look is achieved?

Custom work and excellent craftsmanship are our specialty. Contact your nearest Holmes Door dealer to choose your unique design for the best look and product available.
