www.garageinventions.com

The logo features a stylized yellow and blue graphic of a door or window frame on the left, followed by the text "WalkThru" in a large, bold, yellow serif font, and "GARAGE DOORS" in a smaller, bold, yellow sans-serif font below it, all set against a dark blue background.

WalkThru GARAGE DOORS

- Convenient and secure point of entry into any garage or shop space.
- Prevents having to open the entire garage door when doing small jobs.
- Ideal for garages having no other access to the exterior.
